### German

Der Kölner Produzent und DJ sprang an die Front der zeitgenössischen Tanzmusik im Jahr 2001 mit seiner ersten Single "Secrets of Loneliness" auf Clubbgrove Records.

Aber die Geschichte beginnt früher ....

Die ersten Schritte nahm er als Mitglied des Hip-Hop Projekts "FCKW". Im Jahr 1997 wurden das Projekt mit der Auszeichnung "Best Newcomer" von dem deutschen Musiksender "VIVA" geehrt.

Anfangs geprägt von Hip-Hop & Breakbeat, welche die lokale Musikszene überhäufte, kam das Interesse für Bands wie "Depeche Mode", "Front 242", "Underworld" etc....die sein Interesse für die elektronische Musik weckten. Klassische House Labels wie "Touche Rec", "Fresh Fruit" und "Work Rec" trugen zu dem Wandel herbei.

Im Jahr 1999 gründete er die "North Shore Music Construction", die sich in der Produktion verschiedenster elektronischer Musik spezialisierte. Veröffentlichungen auf Kompilations wie z.B. Kontor - Top of the Clubs, Cafe del Mar, Good Bye Ibiza - Sound of the Closing Parties, etc. "Secrets of Loneliness", "Captive Child", "Forever", "Green Room", "My Pain" und "Details" wurden von Labels in Europa, den USA lizenziert. Seitdem findet man Barbaros Titel in DJ Sets rund um den Globus.

Neben seiner Resident Tätigkeit in der lokalen Clubszene, reist Barbaros nationale und international, um seine Sets zu präsentieren. Seine Sets begeistern Clubber auf der ganzen Welt. Argentinien, Türkei, Ukraine, Spanien und USA waren nur ein paar Stationen. Events wie Nature One, Ruhr in Love, Atmospherica sowie Auftritte in verschiedenen Radio-Shows.

2003, entscheidet er, seine Sounds selber zu präsentieren: Mit 2 Freunden gründet er sein eigenes Label, THREE Elements. Nach 3 erfolgreichen Jahren war es Zeit für einen Wechsel. 8 Jahre später wird es weitergehen mit der Label Arbeit. Im Jahr 2011 wird NOREIRA RECORDS geboren.

Die Geschichte wird immer weiter gehen .....
