Teaser Deutsch/English (256 Zeichen)

Eine Compilation zusammengesetzt aus Freunden. Einzig und allein um zu danken und zu verbinden, nicht um sich zu bereichern. So steht es jedes Jahr geschrieben und daran ändere ich nichts, auch weil es wieder diesmal so ist.

A compilation made up of friends. Only and only to thank and connect, not to enrich themselves. This is what it is written every year and I don't change anything about it, also because it is the same this time.

Beschreibung/Description (1025 Zeichen)

Der griechische Philosoph Aristoteles beschrieb Freundschaft als "eine Seele in zwei Körpern" und im Deutschen wurden die Begriffe "Freundschaft" und "Verwandtschaft" bis ins 17. Jahrhundert synonym verwendet. Willkommen und großen Dank an: BluFin Records, Yellow Tale, Jackfruit Recordings, noreira records, A-Site Records, Form & Terra, MixCult Records, Harthouse, Plastic City und Plastic City Suburbia, Emerald & Doreen und last but not least City of Drums. Auch heuer war es nicht einfach aus den 12 Titeln unterschiedlichster Genres einen Mix zu kreieren. Es war sogar so schwer, dass beim zweiten Versuch Space Mountain von Dompe seinen Platz im Continuous Mix von Martin Vitzthum, verloren hat. Sorry dafür, aber nur so ist gesichert, dass ich auch aktuell behaupten kann: Sensationeller Mix, lieber Martin.

The Greek philosopher Aristotle described friendship as "one soul in two bodies" and in German the terms "Freundschaft" and "Verwandtschaft" were used synonymously until the 17th century. Welcome and many thanks to: BluFin Records, Yellow Tale, Jackfruit Recordings, noreira records, A-Site Records, Form & Terra, MixCult Records, Harthouse Mannheim, Plastic City und Plastic City Suburbia, Emerald & Doreen and last but not least City of Drums. Also this year it was not easy to create a mix from the 12 titles of different genres. In fact, it was so difficult that in the second attempt Space Mountain by Dompe lost its place in the Continuous Mix by Martin Vitzthum. Sorry for this, but this is the only way to make sure that I can maintain my current position: Sensational mix, dear Martin.
