

Ludwig Buez is a Belgian Dj and producer who was also very active between 2002 and 2009 under his « Soul Preacher » monicker which he was releasing numerous records supported by artists like Carl Cox, Sven Vath, Laurent Garnier just to name a few.

The success of these records gave him the opportunity to play in different parties and countries alongside some famous dj's like Umek, Darren Emerson, Marco Bailey, Claude Young, Vitalic & many more...

For personal reasons he stopped his career in 2010 but decided to come back in 2019 with the creation of his own label « No Purpose Records » a platform where he can freely express his music under his real name.
