### **Beschreibung/Description (1025 Zeichen)**

Die meisten Menschen haben ein bis zwei beste Freunde und höchstens fünf wirklich enge Freunde. Eine Umfrage im Auftrag der Universität Chemnitz ergab im Schnitt sogar nur knapp drei Personen, mit denen wir persönliche Gedanken und Gefühle teilen. Mit den Jahren wird es schwieriger, neue Freunde zu gewinnen. Und doch: Mittlerweile im fünften Jahr und es werden nicht weniger. Der Umfrage Killer Evosonic dankt mit langer Nase Richtung Universität Chemnitz den Freunden dieser Compilation: Danke BluFin Records, City Of Drums, Eternal Basement Recordings, Form & Terra, Harthouse, MixCult, Ohral, Plastic City, Unvirtual Music, Volume Berlin Records und Vorwärts Musik. Dank dem sensationellen Continuous Mix von Tom La Mer sind alle noch enger zusammengedrückt.

Most people have one or two best friends and no more than five really close friends. A survey commissioned by the University of Chemnitz even found an average of just under three people with whom we share personal thoughts and feelings. As the years go by, it becomes more difficult to make new friends. And yet: in the meantime in the fifth year and it does not become less. The survey killer Evosonic thanks with a long nose towards the University of Chemnitz the friends of this compilation: Thank you BluFin Records, City Of Drums, Eternal Basement Recordings, Form & Terra, Harthouse, MixCult, Ohral, Plastic City, Unvirtual Music, Volume Berlin Records and Vorwärts Musik. Thanks to the sensational Continuous Mix by Tom La Mer, everyone is even closer together.
