Beschreibung/Description (1025 Zeichen)

Barry Coleman begeistert mit seiner zweiten Single auf Evosonic Records. Dass er nicht nur House Musik liebt, hat er mit seinem Beitrag auf der erfolgreichen Compilation „Evosonic25“ (EvoRec 063) mehr als angedeutet. Mit diesen drei Deep House Tracks bestätigt er es wieder eindrucksvoll. Diesmal sogar zweimal mit coolen Vocals. Der Belgier weiß, wie man House in Deep House verwandelt.

Barry Coleman, who is passionate about house music in all its forms, delivers music that is pure, both behind the decks as a DJ and from the studio as a producer. He proves this on his radio show "The Fifth Element" on Evosonic Radio. He more than hinted at it with his contribution on the successful compilation "Evosonic25 (Twentyfive Years Of Electronic Music Radio)". With these three melodic deep house tracks he confirms it impressively. The Belgian knows how to produce tears of joy through music.
